

California Farm Bureau Federation 2019 Young Farmers & Ranchers Discussion Meet

Background

The Discussion Meet is a competitive event promoted by the California Farm Bureau Federation (CFBF) Young Farmers & Ranchers (YF&R) Committee. Farm Bureau's strength depends on its members' abilities to analyze agricultural issues and decide on solutions that best meet their needs. The competitive event is designed to simulate a committee meeting where discussion and active participation are expected from each committee member. Participants build basic discussion skills, develop a keen understanding of important agricultural issues and explore how groups can pool knowledge to reach consensus and solve problems. **A successful participant is a productive thinker rather than an emotional persuader. He/she will assist the group in creating ways to implement the solutions discussed and highlight Farm Bureau's involvement in those actions/steps.** The California Farm Bureau provides, as part of the state recognition award to the winner, an expenses-paid trip to the AFBF Annual Meeting held in 2020 in Austin, TX. Appropriate recognition will be given to all the national competitors in attendance at the AFBF Annual Meeting. The AFBF YF&R Committee and the AFBF Organization Department will coordinate the program at the national level.
